

# FIND US

If approaching from town, drive along Union Street, past Lidl and take the second exit at the roundabout, straight ahead. Go over Halfpenny Bridge (sometimes called Stonehouse Bridge) and take the second exit again, heading up Devonport Hill.

As the road bends right at the top of the hill, the Mount Wise estate is clearly marked on your left. Go all the way down Mount Wise Crescent, past the cricket pitch, and when you reach the entrance to the large parking square, Mount Wise House will be on your right. You can either park in space 425 if available (on the outside of the square – see pull out map below) or find a space inside the main parking square.

When you have parked up and walked to the front door, use the keypad arrows on the intercom to find Upshot and press the arrow to call. We'll be able to buzz you in and meet you as you head up to the second floor.
